

Homework Schedule in...

THE PUPPY ROOM

. Homework will always come home in your child's yellow "Sunshine Folder." These folders should come back to school **every day** even if there is no homework. Some days, there might be no homework but I'll let you know. We should start having this homework schedule near the end of September. You'll be surprised how excited they are to have *real homework!* ☺

*It is suggested for a first grader to be reading at home 20 minutes every day. This does not mean they need to be reading alone for 20 minutes. Read to your child! Read with your child! Have them read to you, or a stuffed animal, or their baby brother!
Read. Read. Read. ☺*
